**Mr. Akarin Vongapirat**

Chairman of Thailand Forest Certification Council

# CERTIFIED COMPANY AND FOREST AREA

# CERTIFIED COMPANY AND FOREST AREA

# CERTIFIED COMPANY AND FOREST AREA

# SOURCE OF NATURE RUBBER WOOD AND LATEX

Thailand is major source of natural rubber production.

Rubber production cooperative was PEFC certified as group certification which include small and medium scale farmers.

PEFC certification also support farmer in term of sustainability and value of product.

# PAPER AND PACKAGING IN THAILAND

Thailand has many companies that produce packaging.

Certified packaging in Thailand still rarely found in the market which could be new opportunity for certified packaging.

Additionally, TFCC could facilitate for meeting up the candidate company to matching the business.

# BUSINESS MATCHING

## Helping Manufacturer

## Finding processor and supplier

**THANK  
YOU**
